

aemcomponents.com

AEM Components delivers market-leading surface mount fuse lines and ESD protection. Products include SolidMatrix® SMD fuse, GcDiode® ultra low capacitance ESD Suppressors, AirMatrix® SMD fuse, multilayer varistors, ferrite beads and inductors.

aceleds.com

AC Electronics is a specializing company iLED Power Designs and Electronic Ballasts.

cinchconnectivity.com

Cinch supplies high quality, high performance connectors and cables globally to the Aerospace, Military/Defense, Commercial Transportation, Oil & Gas, High End Computer, and other markets.

clamper.com.mx

CLAMPER is a Brazilian company specialized in the research, development and manufacture of surge protection devices (SPD). Synonymous of tradition and innovation, it has surpassed the mark of 30 million SPD's sold in over 20 countries.

cml-globalsolutions.com

PCB sourcing solutions. CML provides a broad spectrum of PCB knowledge and expertise with global experts in PCB manufacturing and design. Their portfolio ranges from single & double sided, multi layer, highly advanced HDI, bendable, rigidflex and high-frequency boards.

cranksoftware.com

Crank Software Inc. is a innovator embedded user interface (UI) solutions. Compared to traditional electronic desing automation tools, our products and services enable R&D teams to more quickly develop rich graphical displays, animated GPS systems, and rich user interfaces on factory floors.

cree.com

Cree manufactures a full range of LED products: High-Brightness LEDs, Midpower LEDs, LED Modules, Power LEDs - Xlamp.

crucial.com

CRUCIAL is a global brand of Micron Technology, Inc. Crucial makes computer memory upgrades (DRAM) and solid state drives (SSDs).

edtc.com

EDTC manufactures a wide range of Visual Display products such as touch panels & modules.

e-switch.com

E-Switch has a wide range of switches for different markets: Anti-vandal, detector, pushbutton, rocker, tact, tilt, toggle, etc.

us.fujitsu.com/components

Fujitsu Components offers a wide variety of Electromechanical components: connectors, optical modules, relays, resistive touch panels, thermal printers & wireless modules.

fujitsu.com/jp/group/foc/en/

FOC develops, manufactures and sells the most advanced optical components for 100G & beyond optical networks, including coherent transceivers (CFP DCO, CFP2 ACO), 100G CFP/CFP2 transceivers, 100G QSFP28 transceivers, 100G/400G LN modulators and 100G/400G integrated coherent receivers.

inventeksys.com

Embedded serial to WiFi modules, WiFi Modules, WiFi Antennas, GPS Modules and WICeD Solutions.

petasys.com/eng/

ISU manufactures a full line of PCB's from ranging four layers to over forty layers. ISU serves the automotive, networking, high performance computing, optical and consumer markets.

jauch.com

Jauch Group is one of the leading specialists for quartz crystals, crystal oscillators and battery technology. Is one of the leading companies in the frequency control products industry, and most recently also with innovative MEMS timing clocks.

johansondielectrics.com

Johanson Dielectrics specializes in power electronics solutions for both high voltage & high power electronics applications. Our offering includes capacitors, X2Y EMI Filters, planar array filters, precision resistors and power inductors.

johansontechnology.com

Johanson Technology provides high frequency ceramic solutions for cellular, WLAN, Bluetooth, WiFi, UWB, RF/Microwave and Fiber Optic applications, as well as custom high frequency ceramic solutions.

lairdconnect.com

Laird comprises our telematics and wireless M2M infrastructure antennas products. Bluetooth intelligent serial modules, telematics & tracking devices, wireless LAN modules & RF Devices Systems.

qorvo.com

Qorvo is a leader in advance, high-performance RF solutions such as: control products, transistors, filters, duplexers, converters, optical components, RF amplifiers & standard RF products. Also Analog/Mixed signal Power Solutions.

sinkpad.com

SinkPAD is a manufacturer of the most thermally conductive Printed Circuit Boards for the Solid State Lighting Industry. A PCB with SinkPAD technology offers thermal conductivity in excess of 200-385 W/m.k.

taiwansemi.com

Taiwan Semiconductor offers a wide portfolio of discrete semiconductor devices: amplifiers, rectifiers, diodes, arrays, sensors, linear voltage regulators, switching regulators & transistors.

wago.com/mx-es

WAGO es una empresa dedicada a las interconexiones eléctricas, automatización e interfaces otorgando así confiabilidad y soluciones a nuestros socios. Somos líderes en el mercado con nuestra tecnología. Ya sea en tecnologías industriales, ferroviarias o energéticas, en los sectores marino y offshore, o en la gestión de edificios e iluminación, los productos y soluciones de WAGO brindan seguridad y eficiencia.

kagafei.com/us/

Fujitsu Semiconductor offers a wide range of Semiconductor products for several markets: Video imaging, foundry services, FRAM Memory & RFID IC's, transcoders & processing IC's.

micron.com

Micron manufactures a full range of memory products such as: DRAM, DRAM Modules, NOR Flash, SSD/Solid State Storage, managed NAND, Hybrid memory cube, Multichip packages & phase change memory.

sercomm.com

Sercomm Corporation has been committed to the development of broadband networkin software and firmware. Offers telecom broadband solutions.

synapsewireless.com

Synapse is an IoT (Internet of Things) technology company. IoT hardware & software design and manufacturing providing end-to-end solutions. System architects have rich networking background. SimplySNAP lighting control systems.

utlimited.com

Specializing in R&D, production and sales of network magnetic products, owns a management team with abundant experience, excellent quality and enterprising spirit. We adhere to the business mission of "people-oriented, creating a harmonious and high-performance team, providing high-quality and competitive products and services for customers".
